

## Special Film Footage by Michael Zinzun - 1989

This special video was put together by Panther Michael Zinzun of Southern California; dear friend, comrade and historian. He put this video together for his Cable TV show. Whenever Gail and I used to visit Georgia Jackson (George Jackson's mother) in Pasadena we would stay with Michael and his wife, Florence. One visit, he gave me this video and told me it had Huey's funeral service on it and other Panther footage. Some of the footage has never been seen before, like the interviews and statements from the 20<sup>th</sup> yr. Panther reunion in Oakland in 1986.

The video opens with a song by the LUMPEN, the BPP singing group, live from Merritt College. It then fades to Allen Temple Church in East Oakland to the 1989 service for Huey P. Newton, with Rev. Frank Pinkard Sr. speaking. Then Michael reads the 10 point program with film footage showing.

The video then cuts to a COINTELPRO section and into footage from the 20<sup>th</sup> yr reunion in Oakland with Jonina Abrons reading facts about COINTELPRO. There is also footage of Khalid Abdul Muhammad and Bruce Richards.

The film flashes back to Huey's Service with Rev. Frank Pinkard Sr., Jamil Al-Amin, Dr. Donn Davis, Elaine Brown, Bobby Seale and Ron Dellums.

IMPORTANT NOTE: Pay attention to what Ron Dellums is saying - It's the original idea for the Million Man march.

This is a rare slice of history. Thanks to Michael Zinzun, we can all share these events. [www.itsabouttimebpp.com](http://www.itsabouttimebpp.com)
